COMMUNITY CONNECTIONS

STEM OPPORTUNITY: HOMESCHOOL DAY AT THE B&O RAILROAD MUSEUM

We are happy to announce that registration is now open for our October 19th Homeschool Day, the first of the 2022-2023 school year at the B&O Railroad Museum. This year our first Homeschool Day will be STEM themed, featuring tours and workshops with STEM content. I wanted to personally share the details of these dates with you in hopes that you and other homeschool families you learn with would be interested in attending. While you are welcome to bring a bagged lunch to enjoy under our outdoor pavilion, our café will also be open to purchase snacks or lunch during the day as well.

You can find more information regarding our Homeschool Days on our website:

<https://www.borail.org/events/homeschool-day/>

Registration is currently open on Eventbrite for our October 19th STEM Homeschool Day. As a member of Maryland's State Aided Educational Institutions, we also offer free admission and participation for students residing in Maryland. Children must be accompanied by an adult. Adults can purchase chaperone tickets ahead of time for a reduced price by following the link below. For an added cost you can also add on tickets for our 11:30am train ride (\$2 per person). If interested, we strongly recommend you purchase train ride tickets at the time of registration due to limited seating. Please follow this link to complete registration: <https://www.eventbrite.com/e/stem-homeschool-day-at-the-bo-railroad-museum-tickets-416014750317>

Our website will also include applicable Maryland state and NGSS standards for each of these programs as well as pre and post visit lesson plans to be used in preparation for and reflection on your activities. These can all be found here on our website: <https://www.borail.org/explore-learn/for-teachers-students/>

APPLICATIONS OPEN: Alsobrooks Youth Leadership Institute for Grades 9 through 12--apply by 10/13

@CEXAlsobrooks is now accepting applications for youth to join the Alsobrooks Youth Leadership Institute. Learn about County government, help develop programs, and strengthen your leadership skills! Apply at

- Register for free programs at your local library: <https://www.pgcmls.info/>
- Create your own special program!

Student Technology Requirements (ON-SITE)

Each student should have available to them a device, preferably a laptop or desktop, to complete their online assignments on-site. They will also need the following: a printer, copy paper, and ink in their home workspace.

Uniforms

Here is the information for ordering SHABACH! uniform shirts. All students should have 1-2 shirts for attending onsite classes, events, clubs, chapel, field trips, etc. Jeans with no holes are acceptable bottoms.

All American Wear School Uniforms
5001 – B Forbes Blvd
Lanham, MD 20706
(301) 459-5000

Parent/Guardian Volunteer Sign-Up (you must sign up for three separate events/dates)

- [Hall Monitor \(click here\)](#)
- Year Book Committee – Contact Mrs. Anita Gibson at (301) 906-8970
- Field Trip Planning Committee – Contact Mrs. Tabarez at (301) 655-8140

Position Descriptions:

- *Hall Monitor:* oversees the general safety of the Homeschool campus. As a hall monitor, you help provide a safe learning environment for the students, teachers, and other school staff. Your job duties range from patrolling the grounds, to escorting students to and from the snack rooms/lunch room, to compiling reports on student behavior.
- *Year Book Committee:* advise and provide guidance and direction on the yearbook, outlining the yearbook's layout and overall design, help develop the yearbook's theme and style, develop the yearbook's content, edit photos and copy in the yearbook, including labeling and cropping images where needed, check the yearbook for spelling and grammatical errors and also be responsible for fact checking, and will work with the Administrators to develop interesting and factual copy for the yearbook, work with Administrators and members of the committee to finalize the submission details on yearbook including publishing, printing, and supervising the yearbook orders/sales.
- *Field Trip Planning Committee:* responsible for organizing and facilitating interactive learning opportunities for the school's parent/student community that include curriculum centric enrichment activities focused on meeting grade level standards; and organizing and facilitating field trips and special events for the school. The employee will act as a liaison between the school and its families.

IMPORTANT NOTICE: Students observed struggling with the onsite course content after 3 weeks, will be advised to hire a private tutor for their student moving forward. We do not want to hinder the success of any student, so, you also may be asked to withdraw your student from the class to pursue a more individualized plan. Parents will be notified via email and/or a phone call by the teacher.

Tuition Questions

Please always send tuition questions to kgreenfield@smionline.org and copy angibson@smionline.org. ALL other emails, documents, etc. should always go to <mailto:info@scahomeschool.net>.
