

**Club- Tues. Jan 31st /3:30-5:30pm/
Cost: FREE/Room: TBD/ Grades: K-12**

**Arts & Crafts: Vision Board (at Shabach School)-student will need to bring some materials:
DEADLINE: Jan 23rd (sign up via link below)**

- Material to bring- one (1) poster board, markers, scissors, glue sticks, magazine, or clip art pictures from the internet
- Come create a vision board for the New Year
- Must [sign up](#) in advance to attend
- **The How To:** Vision boards are simple collages that kids make from magazine clippings, drawings, photos, words, or whatever inspires them. We will keep the activity fun and work together in a creative atmosphere with music and snacks.
- **Brainstorm Ideas with Child (to prepare for this event):** Have your child collect images and encourage them to brainstorm their ideas and goals. Include visions for school, extracurricular activities, hobbies, and even relationships, like less fighting with siblings or more reaching out to someone who looks like they need a friend. Encourage your child to be specific. Ask what words or images could represent their visions for this year.
- **Gather Supplies and Bring:** You will need scissors, glue, markers, and old magazines, greeting cards, stickers, and pictures for your child to sift through. For the background, or “board,” use a simple piece of cardstock, a sheet of poster board, or a cork board that hangs on the bedroom wall.
- **Bring Images to Cut and Paste:** Your child will need to collect and find magazine images or print-out clip art images (pictures or words) on the internet to bring to this class, that represent their vision. They will use these supplies to cut them out, and paste, tape, or pin them to their board. Add words or actions that explain the images.
- **Keep Going:** Don’t let the vision board they create in this group class be the end of this activity. Chat with your child about how to achieve their “visions.” Ask, “What steps could you take to make that vision a reality? How can I help you?” Dream the dreams, then teach them to make the plans to achieve them.
