Hello Enrolled and Prospective Homeschool Families,

I pray that everyone is doing well. The homeschool team is planning for the 2023-2024 school year with some exciting things planned for elementary, middle, and high school classes. In order to gather additional information to assist us in planning for next year, we have included a survey with a few questions that will take less than 5 minutes to complete, which we would like to please have returned by March 1, 2023.

Please complete the survey based on your child's grade next year. Any additional questions can be emailed to Ms. Perkins at info@scahomeschool.org.

- [Middle School- 6th-8th Grade](#)
- [High School- 9th-12th Grade](#)

Applications for the new school year will open on April 1st and can be found on our website at www.scahomeschool.net at that time.
